### Identification

|                 |               |
|-----------------|---------------|
| Category        | Contacts      |
| Series          | D-Sub         |
| Identification  | Standard      |
| Type of contact | Crimp contact |

### Version

|                       |                   |
|-----------------------|-------------------|
| Termination method    | Crimp termination |
| Gender                | Male              |
| Manufacturing process | Turned contacts   |

### Technical characteristics

|                                            |                               |
|--------------------------------------------|-------------------------------|
| Conductor cross-section (mm <sup>2</sup> ) | 0.33 ... 0.82 mm <sup>2</sup> |
| Conductor cross-section (AWG)              | AWG 22 ... AWG 18             |
| Contact resistance                         | ≤10 mΩ                        |
| Stripping length                           | 4.5 mm                        |
| Performance level                          | 1<br>acc. to CECC 75301-802   |

### Material properties

|                     |                     |
|---------------------|---------------------|
| Material (contacts) | Copper alloy        |
| Surface (contacts)  | Noble metal over Ni |
| RoHS                | compliant           |
| ELV status          | compliant           |

**Pushing Performance**  
Since 1945

## Material properties

|                                      |               |
|--------------------------------------|---------------|
| China RoHS                           | e             |
| REACH Annex XVII substances          | Not contained |
| REACH ANNEX XIV substances           | Not contained |
| REACH SVHC substances                | Not contained |
| California Proposition 65 substances | Yes           |
| California Proposition 65 substances | Lead          |

## Commercial data

|                                |                                            |
